Subject: Application for Distribution License of DHAI Development & Engineering Services (Private) Limited – DHA Phase-II Islamabad

Dear Sir,

This is with reference to NEPRA letter # NEPRA/R/LAD-39/1491-1501 dated February 01, 2016 on the captioned subject. Through the subject letter, NEPRA has sought comments in support or against the subject application filed by DHAI Development & Engineering Services (Private) Limited (DDES). In this regard, we are of the opinion that carving out the licensed territories from the exclusive Distribution area of DISCOs will dilute, impair and adversely affect the exclusivity granted to DISCOs through Distribution License.

We request NEPRA to please consider our comments.

Sincerely,

Rafique Ahmed Shaikh
