To,  
The Registrar,  
National Electric Power Regulatory Authority,

Sub: LPM for Lucky Cement Limited

We hold a Generation License No. SGC/72/2011, dated, 27<sup>th</sup> April-2011 for our generation facilities located at Lucky Cement Limited 58 km main super highway Goth Khadeji Jokhio more district Karachi. The said generation facility is currently being utilized for supplying surplus power to the concerned utility i.e. HESCO. We plan submitting a Licensee Proposed Modification (LPM) to the said generation License in terms of Regulation 10 (2) of NEPRA Licensing (Application and Modification Procedure) Regulations 1999 (the Regulations). In this regard the requirements of the said Regulations are attached as annexure. Further to the said, a demand draft No. 01647283 dated 19-07-2019 amounting to PRs. 342,720/- drawn at Habib Metropolitan Bank Limited Islamabad as processing fee is also attached. We hereby certify that the documents-in-support attached with this LPM are prepared and submitted in conformity with the provisions of the above mentioned Regulations and undertake to abide by the terms and provisions of the same. We further undertake and confirm that the information provided in the documents-in-support is true and correct to the best of our knowledge and belief.

1. The text of the proposed modification;
  - a. The licensee plans to supply surplus power to any DISCO/DHA City as bulk consumer, requiring a modification in the existing generation License.
2. A statement of reasons in support of the modifications;
  - a. The existing generation License No. SGC/72/2011 dated, 27<sup>th</sup> April-2011 allows supplying of surplus power to HESCO only whereas some surplus power is available with us.
  - b. Due to non-existence of distribution system in the near vicinity, DHA City, is without electricity since 2011.
