Subject: **APPLICATION FOR TRANSMISSION LICENCE FOR PROVINCIAL GRID COMPANY – PUNJAB GRID COMPANY LIMITED**

Dear Sir:

Kindly refer to your letter no. NEPRA/R/LAT-08(PGC)/8731-33 dated 07th April 2023 on the above subject.

In this regard Chief Engineer Electrical, PIEDMC has written a letter bearing reference no. PIE/CEE/NEPRA-1083 dated 09th May 2023. Since the contents of the letter dated 09th May 2023 do not correctly reflect the collective viewpoint of our company therefore the same is hereby withdrawn. The inconvenience in this regard is highly regretted.

PIEDMC is an important stakeholder in the business of electric supply and distribution. Our applications for supply and distribution licenses for five economic zones are already at various stages of process with NEPRA. We currently have over 800 satisfied industrial consumers which will increase to around 2000 in next few years.

PIEDMC is of the concerted opinion that grant of license to Punjab Grid Company Limited will be a great step in improving the efficiency of electrical transmission in Punjab. NEPRA has already granted similar license to the provincial grid companies in the province of Sind and Khyber Pakhtunkhwa.

Foregoing in view, PIEDMC supports grant of Transmission License to Punjab Grid Company Limited.

Thanking you.
