Dear Sir,

**Subject: Tariff Application for Recovery by Star Hydro Power Limited of Additional Security Costs during Construction**

We write on behalf of Star Hydro Power Limited ("**SHPL**") in relation to the tariff application submitted by SHPL for recovery of additional security costs incurred during the construction phase of its project ("**Tariff Application**").

As you may be aware, the Tariff Application was earlier submitted by SHPL under the NEPRA (Import of Power) Regulations 2017 ("**Import Regulations**"). However, concurrent with the submission of our application, new regulations were notified, i.e. NEPRA (Electric Power Procurement) Regulations 2022 ("**Power Procurement Regulations**"), which repealed the Import Regulations. As a result of the same, the Tariff Application was returned by NEPRA on the grounds that the Tariff Application was not filed under the applicable regulations.

After perusing the Power Procurement Regulations, we remain confident that the Tariff Application meets all the requirements of the Power Procurement Regulations and is in compliance with all relevant regulations and guidelines, including the NEPRA (Tariff Standards and Procedures) Rules, 1998. Therefore, we are of the opinion that no material changes are required to the Tariff Application.

In light thereof, we are resubmitting the Tariff Application and request CPPA-G/NEPRA to please read all references made to the Import Regulations as references made to the Power Procurement Regulations. Specifically, please refer to the table below listing two (2) references that should be substituted in the Tariff Application. Please also note that checklist appended under the Import Regulations can be disregarded.

| Paragraph A.3. of the Tariff Application | "Further, pursuant to the enabling provisions of the NEPRA Act, the procedure for import of electric power has been prescribed in the NEPRA (Electric Power Procurement) Regulations 2022 ("**Power Procurement Regulations**")." |

# Additional Security Costs during Operation

There is no component or element of Site Security in the EPC Reference Tariff. However, the Police Departments of the AJ&K and KP demanded that the Company should obtain additional security cover from the Police Department in consideration of payments to be made by the Company as part of the security protocol of the relevant Governments.

The Company was thus required to sign Security Arrangement Agreements with the Police Departments of the AJ&K & KP which caused additional costs to the Company. These security arrangements are for the term of the construction period and shall also remain in effect during the operation and maintenance period. The costs associated with the Site Security have already been allowed to the CPEC Projects which is the precedent for the inclusion of the security cost through the Modification Petition.

DG PPC through letter no. PPC/378-79/2012 dated May 17, 2012 asked the Company to discuss the security arrangements at the Project site enclosing the AIG police (General & Security) Central Police Office Muzaffarabad letter dated February 08, 2012 regarding their visit to Project site and dealing the number of security personnel to be deployed on Project site.

The Company informed PPIB through its letter no. SHPL/Sec/116(1)/002 dated June 07, 2012 that the Police Department each in KP and AJ&K has been persistently asking to accept security cover from Police Departments and to pay cost of such cover to the departments. The Company had not contemplated such costs for construction phase or for operation phase to be paid to the Police Departments, and hence the same were not included in any tariff applications at the feasibility and or at the EPC levels.

The Company apprised PPIB, NEPRA, Police Departments and DG PPC through its letter no. SHPL/PPIB/1(6)/170 dated July 18, 2012 that it was never informed by PPIB or the GOAJK that such additional security cover from the Police department was mandatory. Based on the understanding that the Project location was safe and that the Company was required to make the security arrangements itself, no such costs for Police cover was included in the EPC Reference Tariff. The Company was forced to sign Security Arrangement Agreements with the Police Departments of GOKP on November 13, 2011 and the GOAJK on April 01 2013 which caused additional costs to the Company.

*The Security cost of USD 826,974 was allowed by the Authority against Company claimed cost of USD 833,058 incurred during the construction period. However, no additional security cost for operation phase was allowed although the company is continuing to incurred the additional security costs under the same arrangements which were placed during the construction period.*
