

**ISSUES FOR HEARING IN THE MATTER OF PETITION FILED BY CPPA-G FOR  
DETERMINATION OF MARKET OPERATION FEE FOR THE FY 2024-25**

1. The following issues have been framed to be considered during the hearing and for presenting written as well as oral evidence and arguments;
  - i. CPPA-G to provide Justification/basis of bifurcation of requested revenue requirement in terms of Agency function and Market Operation function for FY2024-25.
  - ii. Whether the requested General Establishment cost, Administrative Costs, New hiring, Tax and Legal charges are justified?
  - iii. Whether the requested Insurance, Finance Charges, Office Operation, Services & Maintenance (R&M General, IT Services, R&M, Support Fee, etc.) are justified?
    - i. Whether the requested capital expenditure is reasonable and justified?
    - ii. Whether the requested Other Income, recovery of loan and Prior Year Adjustment (if any) is justified?
  - iii. Whether the request of the Petitioner for actualization of expenditure based on audited financial statement is justified?
  - iv. Any other issue that may come up during or after the hearing.
