**PRESS RELEASE**

Islamabad, July 10, 2020

Subject: **Public Hearing in the matter of excessive load shedding in Karachi**

A public hearing on the subject cited above was held via video link on 10.07.2020 (Friday). A number of public representatives, technical experts, representatives of different entities, members of business community, journalists and the consumers of Karachi participated in this public hearing. The participants gave their views and comments regarding the prevailing load shedding situation in Karachi.

The Authority after detailed deliberations has decided to form a four member committee of the NEPRA professionals/experts headed by Director General (Monitoring & Enforcement) to visit Karachi immediately, conduct further investigations on ground and submit a detailed report to the Authority before the end of next week, on the basis of which the Authority will take further necessary action.
