PRESS RELEASE

Subject: NEPRA briefs the visiting students of NUST

Students of the “College of Electrical and Mechanical Engineering”, National University of Sciences and Technology (NUST) today visited NEPRA Headquarters, Islamabad to be briefed and appraised on various roles and functions of NEPRA, working processes and best practices observed at premises as well as to relate their academic knowledge with the practical situation.

02. The students’ delegation along-with their faculty members were warmly received by NEPRA officials. Chairman NEPRA, Mr. Tauseef H. Farooqi welcomed them in his opening address and shared with them his academic and professional experiences, challenges and success stories, tips to become the best professional engineers and technical managers not only for the sake of their personal growth but development of nation as well. He also ensured the students that NEPRA as a sole and responsible regulator of Pakistan’s Power Sector will keep on facilitating formal and informal interactive and brainstorming sessions for producing better future leaders. He also advised them to work with full zeal, dedication & integrity and wished them best of luck in future.
