PRESS RELEASE

November 05, 2019

CPPA-G in its monthly Fuel Charges Adjustment (FCA) for the month of September 2019, requested an increase in tariff of Rs. 2.9726/kWh. The Authority after adjusting the Generation Cost of Current month by Rs. 2.852 billion, previous adjustment by Rs. 4.994 billion and excluding the cost of Furnace Oil to the extent of Rs. 7.234 billion has considered an increase of Rs. 1.8266/kWh for the month of September 2019. The disallowed cost of furnace oil may be considered in subsequent FCA, subject to provision of information by NPCC/CPPA-G as per the direction of the Authority.
