..... Respondent

Date of Hearing: November 19, 2021

On behalf of:

Complainant: Mr. Faqir Hussain,

Respondent:

1. Mr. Qamar ul Hassan, Deputy Director (Planning)
2. Mr. Abrar Ahmed Sheerazi, Deputy Director (Technical)
3. Mr. Ali Murad Khan, Assistant Manager (CS)
4. Mr. Muhammad Yousaf, SDO Quetta Cantt.

Subject: **DECISION IN THE MATTER OF COMPLAINT FILED BY MR FAQIR HUSSAIN UNDER SECTION 39 OF THE REGULATION OF GENERATION, TRANSMISSION AND DISTRIBUTION OF ELECTRIC POWER ACT, 1997 AGAINST QESCO REGARDING PROVISION OF ELECTRICITY CONNECTION FOR MEHBOOB APARTMENTS QUETTA**

**DECISION**

Through this decision, the complaint filed by Mr. Faqir Hussain (hereinafter referred to as “the Complainant”) against Quetta Electric Supply Company (hereinafter referred to as “the Respondent” or “QESCO”), under Section 39 of the Regulation of Generation, Transmission and Distribution of Electric Power Act, 1997 (hereinafter referred to as the “NEPRA Act”), is being disposed of.

2. NEPRA received the subject complaint, wherein the Complainant submitted that they had constructed a plaza with the name of Mehboob Apartments at Major Muhammad Ali Shaheed Road, Quetta and required electricity connection for the same. The Complainant approached QESCO for the electrification of their plaza but their application was rejected by QESCO officials due to height of the building exceeding 30 feet. The Complainant requested that QESCO may be directed to provide connection to them upto 30 feet height limit.

3. The matter was taken-up with QESCO. A hearing was held on November 19, 2021 at NEPRA Regional Office, Quetta, wherein both the parties (i.e. QESCO and the complainant) participated and advanced their arguments. A site inspection was also conducted on November 20, 2021 in presence of both the parties. The site plan was approved by the MCQ for Basement, Ground Floor, First Floor and Second Floor, having 30 feet height above ground level. However during the site inspection it was revealed that the applicant has constructed 2 more floors i.e. 3<sup>rd</sup> and 4<sup>th</sup> Floor having height of 45 feet above ground level.

4. The case has been examined in detail in light of the record made so available by the parties, arguments advanced during the hearing and applicable law. The following has been observed:

- i. The Complainant constructed a building/plaza at Major Muhammad Ali Shaheed Road, Quetta having height exceeding 30 feet, whereas the layout plan was approved by the MCQ for 30 feet height.
- ii. The Complainant approached QESCO for provision of connection for the building/plaza, however, the same was refused by QESCO on the ground that the height of the plaza is more than 30 feet, i.e. limit as per law.
- iii. During the hearing, upon query, it was apprised by QESCO representatives that various other buildings in Quetta exceeding 30 feet height are already energized.
- iv. On a query, representatives of QESCO informed that they are unable to provide connection due to order of the Balochistan High Court CP No. 804/2020. The directions of the Honorable High Court in the said CP are as under:
  - a) No building in the Quetta City shall be allowed to be constructed without approved building plan.
  - b) No residential building shall be allowed to be converted in to commercial building.
  - c) No permission for construction of commercial building shall be granted in the residential area.
  - d) All ongoing projects in the city which are being constructed in violation of building code shall be halted till further order.
  - e) The Commissioner Quetta shall direct the Deputy Commissioner, Quetta that after obtaining a details regarding conversion of residential building into commercial buildings, necessary notices shall be issued to the owners for regularization of respective building according to law.
- v. The order of the Honorable High Court passed in CP No. 804/2020 has been reviewed whereby it has been revealed that the Honorable Court has not restricted QESCO from provision of electricity connection. The Honorable Court has further directed QESCO, WASA, SSGC and PTCL to ensure that no owner of commercially converted building shall be allowed for use of public utilities on domestic rates which are meant for residential purpose only.
- vi. Earlier, in a likewise case i.e. Haji Sahib Khan (ZS Plaza) Vs. QESCO, NEPRA vide decision dated January 05, 2021 directed QESCO for provision of connection on the ground floor only. Similarly other cases had also been decided by NEPRA wherein QESCO

has been directed to provide electricity connection(s) to the Complainants upto ground floor including basement(s).

- vii. Despite the fact that the plaza's height is above 30 feet, 30 Sui Gas connections are installed in the building.
- viii. According to the Consumer Eligibility Criteria (2003), every person has right to be provided with electric power services subject to the fulfillment of the eligibility criteria.
- ix. Provision of electricity is a Fundamental Right of all citizens under Article 9 and 14 of the Constitution of Islamic Republic of Pakistan. Non-supply of electricity to a citizen, tantamount to deprivation of this Fundamental Right as well as violation of Article 8 of the Constitution which says that any law, custom or usage having the force of law that is inconsistent or abridges a Fundamental Right is void and inoperable. The provision of electricity has also been interpreted as a Fundamental Right by the Supreme Court of Pakistan.

5. Foregoing in view, till the issue is decided by the concerned Civic Agency regarding height of the buildings in Quetta, QESCO is directed to provide electricity connection(s) to the Complainant upto Ground Floor including Basement subject to completion of codal formalities. QESCO may obtain an undertaking from the Complainant before provision of connection(s) to the effect that the electricity connection(s) shall not be extended to the upper stories of the building and in case of any violation, QESCO may disconnect the electricity supply. This decision is applicable in the instant case only, and the same shall not be taken as precedent in other likewise cases which shall be decided on case-to-case basis keeping in view the ground realities.

6. Compliance report be submitted within twenty (20) days.
