## DECISION OF THE AUTHORITY IN THE MATTER OF REQUESTS FILED BY XWDISCOs REGARDING PERIODIC ADJUSTMENT IN TARIFF FOR THE 1<sup>ST</sup> QUARTER OF FY 2019-20

1. The Authority determined tariffs for seven XWDISCOs for the FY 2016-17 & FY 2017-18 individually under the Single Year Tariff Regime (SYT), along with quarterly adjustments of Power Purchase Price (PPP) for the first two quarters of FY 2017-18. Subsequently, the Authority through its decisions in the matter of periodic adjustments allowed the impact of variation in PPP and over/under recovery of allowed Distribution Margin (D.M) for the remaining two quarters of the FY 2017-18 as Prior Year Adjustments (PYA). Similarly, for XWDISCOs under the MYT regime, i.e. FESCO, IESCO and IESCO, the Authority through its decisions regarding adjustment in tariff components for the FY 2016-17 and FY 2017-18 allowed PPP variations for the FY 2017-18, and under/over recovery of the allowed Distribution Margin for the FY 2016-17 and FY 2017-18, as PYA. The same were intimated to the Federal Government for notification in the official Gazette.
2. The Federal Government, against the aforementioned determinations/decisions, filed a motion dated November 09, 2018, under Section 7, 31(4) and 31(7) of the NEPRA Act 1997 read with Rule 17 of the NEPRA (Tariff Standards and Procedure) Rules, 1998 for recommendation of uniform consumer end tariff at national level, which was decided by the Authority on December 19, 2019. The uniform tariff so determined by the Authority was notified by the Federal Government vide SRO.1(I)/2019 to SRO.12(I)/2019 dated January 01, 2019. The said tariff was effective from January 01, 2019.
3. The existing consumer end tariff pertaining to FY 2016-17 & FY 2017-18 notified by the Federal Government vide SRO.1(I)/2019 to SRO.12(I)/2019 dated January 01, 2019, thus, included all the Quarterly adjustments up to 30<sup>th</sup> June 2018.
4. The XWDISCOs afterwards filed their adjustment requests on account of variation in PPP, including impact of T&D losses etc., for the 1<sup>st</sup> & 2<sup>nd</sup> quarters of the FY 2018-19 i.e. from Jul. to Sep. 2018 and Oct. to Dec. 2018. The same was decided by the Authority on June 14, 2019 and was notified by the Federal Government vide SRO.660(I)/2019 to 669(I)/2019 dated June 28, 2019, to be effective from July 01, 2019.
5. Subsequently, XWDISCOs filed their quarterly adjustment requests for the 3<sup>rd</sup> and 4<sup>th</sup> quarters of FY 2018-19, which were also decided by the Authority vide decision dated September 27, 2019. The same was notified was notified by the Federal Government vide SRO.1167(I)/2019 to 1176(I)/2019 dated September 30, 2019, to be effective from October 01, 2019.

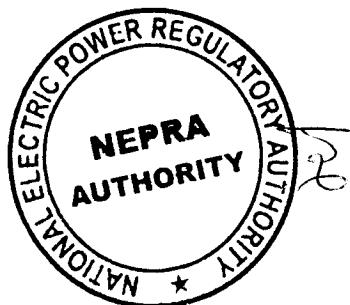

6. The XWDISCOs have now filed their adjustment requests on account of variation in PPP, including impact of T&D losses etc., for the 1<sup>st</sup> quarter of the FY 2019-20 i.e. from Jul. to Sep. 2019.

7. A summary of the adjustment requests filed by the XWDISCOs is as under;

8. The Ministry of Energy (Power Division), in the meantime, vide letter dated November 13, 2019, while referring to its earlier motion dated November 09, 2018, regarding recommendation of uniform consumer end tariff, which was decided by the Authority on December 19, 2018 and its letter dated November 12, 2019 in the matter of uniform seasonal pricing structure, filed a consolidated quarterly adjustment request on behalf of all XWDISCOs by attaching therewith the individual quarterly adjustment requests of XWDISCO. The Ministry requested that the impact of 1<sup>st</sup> quarter of FY 2019-20, as requested by XWDISCOs, on uniform basis may immediately be reflected in monthly bill of consumers of all X W DISCOs till its final recovery and any excess / less adjustment would be settled between DISCOs and CPPA G.

9. Although, the proposed quarterly adjustments are formula based and as per the already prescribed mechanism but the impact of any such adjustments has to be made part of the consumer end tariff, hence, the Authority, in order to provide an opportunity of hearing to all the concerned and meet the ends of natural justice, decided to conduct a hearing on the issue. The hearing was held on November 20, 2019 at NEPRA Tower, Ataturk Avenue (East), G 5/1, Islamabad. An advertisement in this regard was published in newspapers on November 14, 2019 and separate notices were also sent to the stakeholders for inviting comments from the interested/ affected parties. Salient features and details of the proposed adjustments were uploaded on NEPRA's Website for information of all concerned.

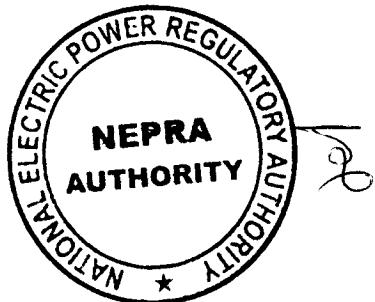

10. Hearing was attended by representatives of Ministry of Energy (Power Division), XWDISCOs, CEO CPPA G, and other stakeholders including General public and media. M/s Flying Paper Industry, through their legal counsel vide letter dated November 11, 2019, requested for adjournment of the hearing owing to non-availability of their legal counsel as the counsel has to appear before the Lahore High Court (LHC), Lahore in the matter of hearing for the quarterly adjustments cases. The Authority did not accede to the request of M/s Flying Paper Industry. Written comments were also received from M/s APTMA vide letter dated November 19, 2019, wherein it has been submitted that the Federal Government has fixed electricity tariff for the 5 priority previously zero rated sectors at maximum 7.5 cents per unit, therefore, these sectors be exempted from the quarterly adjustments decision and per unit calculation be made without accounting for the consumption for these 5 sectors.

11. The Authority, in order to work out the amount of quarterly adjustments of XWDISCOs, obtains details of actual Power Purchase cost billed by CPPA G to DISCOs for the relevant period. The Authority had been directing CPPA G through various letters to provide the Actual Power Purchase cost billed to DISCOs on the specific format. CPPA G in this regard provided the information for the FY 2018-19, however, the information provided is not exactly as per the format prescribed by the Authority. Similarly, although required information pertaining to the instant quarter i.e. July to September 2019, is provided, however, the same is not as per the required format.

12. In view thereof, for working out the impact of quarterly adjustments for the 1<sup>st</sup> Quarter of FY 2019-20 for all the XWDISCOs, the information provided by CPPA G in its own format has been relied upon. Accordingly, the following amount of quarterly adjustments have been worked out for variation in Capacity charges, Variable O&M, Use of System Charges, Market Operator Fee and FCA impact on T&D losses, for the 1<sup>st</sup> quarter of FY 2019-20 i.e. Jul. to Sep. 2019. CPPA G is directed to submit the required information as per the Authority's prescribed format not later than two weeks' time and the amount allowed would be adjusted in subsequent determinations, if any variation is found.

13. Section 31(4) of the NEPRA Act, 1997 gives powers to the Authority to determine a uniform tariff, and further prescribes the manner, methodology and principles to be applied while determining the same. The uniform tariff framework under Section 31(4) includes both the price equalization and socio-economic elements of the previous regime, price equalization by the uniform, cross entity, nature of the tariff itself and the socio-economic dimension by tying grant of tariff to public consumer interest.

14. In view of the above and keeping in view the submissions made by MoE, wherein reference has been made to the earlier motion dated November 09, 2018 filed by the Federal Government under Section 7, 31(4) and 31(7) of the NEPRA Act 1997 read with Rule 17 of the NEPRA (Tariff Standards and Procedure) Rules, 1998 for recommendation of uniform consumer end tariff at national level and guidelines prescribed with regard to Methodology for incorporation of quarterly adjustments in the uniform tariff of XWDISCOs, in terms of provisions of NEPRA Act and Tariff Rules, and subject to para 16 below, the Authority has determined a uniform rate of Rs.0.1456/kWh attached as Annex IV with the instant decision, for the allowed amount of quarterly adjustment of Rs.14,780 million pertaining to 1<sup>st</sup> quarter of FY 2019/20, across each category of consumers of XWDISCOs, to be recovered in twelve (12) months period, based on projected sales for the FY 2017/18, after excluding life line consumers.

15. The category wise component of the allowed quarterly adjustment of each XWDISCO along with the uniform rate is attached as Annex IV with the instant decision. Since, through amendment in NEPRA Act, the power to impose surcharges by the Federal Government has been removed, therefore, the Federal Government shall not rationalize the allowed uniform rate of Rs.0.1456/kWh upwards for any consumer category.

16. Having said that, the Authority in its uniform tariff determination dated December 19, 2018 has categorically held that although the petition filed by the Federal Government falls short of the legal requirements of section 31 (4) of the Act but in view of pragmatic considerations, it would be inequitable and unconscionable for the Authority to dismiss the uniform tariff motion on the basis of non-exhaustive compliance of the procedural elements thereof. The Authority further issued directions to the Federal Government in para 34 of the December 19, 2018 determination. Although, the said directions still remain to be complied with by the Federal Government, however, considering that the instant matter is merely an adjustment in the already approved uniform tariff by the Authority, therefore without prejudice to the said observations and directions of the Authority, the quarterly adjustments have been determined in a uniform manner. The instant determination /decision shall not in any way operate to modify, alter, rescind or waive of the observations and the directions of the Authority in the determination dated December 19, 2018.

17. Consequently, Annex II (Estimated Sales Revenue) and (Annex III) Schedule of Electricity Tariff of each XWDISCOs attached with the Authority's decision dated September 27, 2019 in the matter of requests filed by XWDISCOs regarding Periodic Adjustment in Tariff for 3<sup>rd</sup> and 4<sup>th</sup> Quarters of FY 2018-19 shall be replaced with Annex II (Estimated Sales Revenue) and Annex III (Schedule of Electricity Tariff) respectively attached with this decision.

18. In terms of Section 31(7) of the NEPRA Act, order of the Authority along with Annexes II, III and IV attached to this decision are intimated to the Federal Government for notification in the official Gazette.
