No. NEPRA/ADG(Tariff)/TRF-100/30956 -58

July 2, 2021

Subject:

Decision of the Authority in the matter of Reconsideration Request filed by the Federal Government under Section 31(7) of the NEPRA Act 1997 read with Rule 17 of the NEPRA (Tariff Standards and Procedure) Rules, 1998 with respect to Quarterly Adjustments of XWDISCOs for the 1<sup>st</sup> and 2<sup>nd</sup> Ouarters of FY 2020-21

Enclosed please find herewith the subject Decision of the Authority along with Annex-I, II & III (10 Pages) in the matter of Reconsideration Request filed by the Federal Government under Section 31(7) of the NEPRA Act 1997 read with Rule 17 of the NEPRA (Tariff Standards and Procedure) Rules, 1998 with respect to Quarterly Adjustments of XWDISCOs for the 1<sup>st</sup> and 2<sup>nd</sup> Quarters of FY 2020-21.

2. The category wise uniform quarterly adjustments for the 4<sup>th</sup> Quarters of FY 2019-20 and 1<sup>st</sup> and 2<sup>nd</sup> quarters of FY 2020-21 of XWDISCOs, indicating therein, the category wise surcharge as proposed by the Government, is attached herewith as Annex-III, which is being intimated to the Federal Government, before its notification as per Section 31(7) of the NEPRA Act.

Encl: As above

1. Secretary, Cabinet Division, Cabinet Secretariat, Islamabad.

2. Secretary, Ministry of Finance, 'Q' Block, Pak Secretariat, Islamabad.

DECISION OF THE AUTHORITY IN THE MATTER OF RECONSIDERATION REQUEST FILED BY THE FEDERAL GOVERNMENT UNDER SECTION 31(7) OF THE NEPRA ACT 1997 READ WITH RULE 17 OF THE NEPRA (TARIFF STANDARDS AND PROCEDURE) RULES, 1998 WITH RESPECT TO QUARTERLY ADJUSTMENTS OF XWDISCOS FOR THE 1<sup>ST</sup> AND 2<sup>ND</sup> QUARTERS OF FY 2020-21

## **BACKGROUND**

1. The Authority determined quarterly adjustments of XWDISCOs for the 4<sup>th</sup> quarter of FY 2019-20 vide decision dated February 10, 2021, with a uniform rate of Rs.0.8276/kWh and the same was intimated to the Federal Government for notification in official Gazette. Subsequently, the Authority determined quarterly adjustments for the 1<sup>st</sup> & 2<sup>nd</sup> quarters of FY 2020-21 vide decision dated May 6, 2021, with a uniform rate of Rs.0.8966/kWh. The same are attached herewith as Annex-I & II respectively. DISCO wise detail of allowed quarterly adjustments for the 4<sup>th</sup> quarter of the FY 2019-20 and 1<sup>st</sup> & 2<sup>nd</sup> quarters of FY 2020-21 are as under;

- 2. Here it is pertinent to mention that the Authority had already determined quarterly adjustments of XWDISCOs for the 2<sup>nd</sup> & 3<sup>rd</sup> Quarters of FY 2019-20 on 24.09.2020, with a uniform Rate of Rs.1.6236/kWh. The Federal Government notified the said periodic adjustment through SROs 182 (I)/2021 to 191 (I)/2021, after incorporating the targeted quarterly subsidy / additional charge, which is to remain effective till September, 2021.
- 3. The Authority observed that recently through Regulation of Generation, Transmission and Distribution of Electric Power (Amendment) Ordinance, 2021, published in the official gazette on 24.03.2021, following amendments have been made in the NEPRA Act;

## Section 31;

- ✓ <u>Sub-section (7) (b)</u> "the Authority may, on a quarterly basis and not later than a period of fifteen days, make quarterly adjustments in the approved tariff on account of capacity and transmission charges, impact of transmission and distribution losses, variable operation and maintenance and policy guidelines as the Federal Government may issue and intimate the tariff so adjusted to the Federal Government prior to its notification in the official Gazette. The Federal Government may, as soon as may be, but not later than fifteen days of receipt of the Authority's intimation of its recommendation for adjustment, require the Authority to reconsider its determination of such quarterly adjustment. In the event, the Federal Government does not refer the matter to the Authority for reconsideration, within the time period specified above, then the Authority shall notify the tariff so adjusted in the official Gazette. However, in case of filing of the reconsideration request by the Federal Government, within the time period specified above, the Authority shall, within fifteen days, determine such adjustments after reconsideration and intimate the same to the Federal Government prior to its notification in the official Gazette;
- ✓ Subsection (8) "......each electric power supplier shall collect such surcharges from any or all categories of consumers, as the Federal Government may charge and notify in the official Gazette from time to time, in respect of each unit of electric power sold to any or all categories of consumers and deposit the amount so collected in such manner as may be prescribed. The amount of such surcharges shall be deemed as a cost incurred by the electric power supplier and included in the tariff notified under sub-section (7)...."
- 4. The Federal Government, in view of the Regulation of Generation, Transmission and Distribution of Electric Power (Amendment) Ordinance, 2021, filed Reconsideration Request (the Request) dated May 21, 2021, against both the aforementioned decisions of the Authority i.e. 10.02.2021 and 06.05.20201. The Federal Government in its Request submitted that National Power Policy, 2013 developed by the Federal Government and approved by Council of Common Interest through decision in Case No. 1/3/2013 dated 31-07-2013 is in vogue and, inter alia, stipulates that the low-end consumers will be protected from any price escalation

New

and tariff rationalization will be done. Similarly, in pursuance of the Power Policy, the National Power Tariff and Subsidy Policy Guidelines, 2014 is also in vogue.

- 5. In addition to the above, Federal Government submitted that in terms of the provisions of the Act, as amended through Regulation of Generation, Transmission and Distribution of Electric Power (Amendment) Ordinance, 2021, periodic quarterly adjustments are to be made by the Authority, *inter alia*, in line with policy guidelines of the Federal Government. Furthermore, per the provision of recently added section 31(8) of the NEPRA Act, the Federal Government has been empowered to impose surcharges for the purposes stipulated therein. Contrary observations made in the Determinations with respect to the power of the Federal Government to impose surcharges is, accordingly, required to be reconsidered.
- 6. The Federal Government, keeping in view the socio-economic conditions of the country as well as the prevalent policies, in past adopted tariff rationalization methodology and the same tariff rationalization methodology be adopted and, accordingly, surcharge to the extent mentioned is to be levied on categories of consumer(s) specified therein, for the purposes of fulfilling the financial obligations of the Federal Government in respect of the electric power services, which shall be within the revenue requirement determined by the Authority. Therefore, the revenue requirements determined by the Authority and recommended to be recovered shall be duly accounted for and consumer end tariff shall, by and large, be maintained. Accordingly, in view of consumer interest, it is proposed that the applicability of these adjustments etc. be made applicable from October 2021 once the periodic adjustments in field cease to be effective.
- 7. In light of the above submissions, the MoE requested the Authority to re-consider the Determinations so that;
  - (a) the effectiveness of the recommended periodic adjustments be made with effect from October, 2021, instead of date of notification, in order to protect consumer interest and also in line with the prevalent pandemic situation and be notified as such after incorporating surcharges as proposed.
  - (b) while doing so, requisite opportunity of hearing may be given to all concerned, including the Federal Government, in line with the pronouncements of the superior courts on the issue.
- 8. The Authority admitted the Reconsideration Request of the Federal Government only to the extent of 1<sup>st</sup> & 2<sup>nd</sup> quarters of FY 2020-21. Regarding 4<sup>th</sup> quarterly adjustments, the Authority observed that the request of MoE for reconsideration of the Authority decision dated 10.02.2021 for Quarterly Adjustment of 4<sup>th</sup> Quarter of FY 2019-20 is not maintainable as the said decision was issued prior to promulgation of Regulation of Generation, Transmission and

Distribution of Electric Power (Amendment) Ordinance, 2021 notified on 24.03.2021, wherein the provision for filing the Reconsideration Request by the Federal Government and powers for notification of the Quarterly adjustment decision to the Authority have been incorporated.

- 9. Since the impact of any adjustment is to be reflected in the consumer end tariff, the Authority decided to conduct a hearing in the matter. The hearing in the matter was accordingly held on June 07, 2021 through Zoom, wherein Additional Secretary MoE, (Power Division (PD), Joint Secretary, MoE PD, along-with their legal council and representative of CPPA-G participated. Representative from Media, General Public and XWDISCOs also attended in the hearing.
  - 10. The MoE while reiterating its earlier submissions, submitted the following during the hearing;
    - i. In line with the: (a) policy objectives of the above policies; and (b) provisions of the Act, as amended through Ordinance, 2021, which postulates that periodic quarterly adjustments are to be made by the Authority, *inter alia*, in line with policy guidelines of the Federal Government, the Federal Government, keeping in view the socio-economic conditions of the country, current pandemic situation as well as the prevalent policies, seeks reconsideration to the extent that the effectiveness of the recommended periodic adjustments be made with effect from October, 2021, instead of date of notification i.e., after the lapse of the existing quarterly adjustments i.e. 30.09.2021, in order to protect consumer interest and also in line with the prevalent COVID 19 situation. In this regard, contents of the Reconsideration Request are reiterated herein, for the sake of brevity, and the same may be read as an integral part hereof.
    - ii. The above request has, *inter alia*, being made in line with the rights granted to the Federal Government under section 31 (7) of the Act, as amended through the Amendment Ordinance. In this regard and specifically with respect to the periodic adjustments for 4<sup>th</sup> Quarter of FY 2019-20, it is specifically submitted that, the right of reconsideration as provided through the Amendment Ordinance, per the settled principles of interpretation of law, would also be available for the said determination of the Authority; the same being a procedural matter, which includes a "remedy", and will operate retroactively, even if amendment has been made in law during subsistence of a matter. More so and importantly, when the new procedural statute is of such a character that its retroactive application will tend to promote justice without any consequential embarrassment or detriment to any of the parties concerned, the Courts have favorably inclined towards giving effect to such procedural statutes retroactive application.
    - iii. As is evident from the above as well as the Reconsideration Request, the same is not detrimental rather beneficial for the consumer interest, hence, is fully covered by the

Page 4 of 6

provisions of Act, as amended through the Amendment Ordinance. Reliance in this regard is made on PLD 1969 SC 187 @ 192, PLD 2001 SC 482 @ 487, 488 and 2009 CLD 960 @ 967.

- iv. Even otherwise and in addition to and without prejudice to the above, it is specifically averred that: (a) such right of reconsideration is also available in Rule 16 (12) of the Rules; and (b) the relief being sought in the instant matter can even be granted by the Authority in exercise of its *suo moto* powers under Rule 3 of the Rules. More so, keeping in view the consumer interest as well as the COVID 19 situation, these aspects are also being considered globally as well as in Pakistan by various Government(s)/Regulatory Authorities (for e.g. State Bank of Pakistan).
- 11. The Authority has considered the submissions made by the Federal Government in its Request & during the hearing, specifically with respect to the periodic adjustments for 4<sup>th</sup> Quarter of FY 2019-20, whereby, the Ministry stated that right of reconsideration as provided through the Amendment Ordinance, per the settled principles of interpretation of law, would also be available for the 4<sup>th</sup> quarter determination of the Authority.
- 12. In view of the above discussions, considering the submissions made by the MoE in its request & during the hearing and keeping in view the interest of consumers, the Authority accepts the request of the Federal Government that the effectiveness of the recommended periodic adjustments for the for the 1st & 2nd quarters of the FY 2020-21, be made effective from October, 2021 i.e. after the lapse of the existing quarterly adjustments i.e. 30.09.2021. Accordingly, the quarterly adjustments for 1st & 2nd quarters of the FY 2020-21, determined by the Authority vide decision dated 06.05.2021, would be applicable w.e.f. 01.10.2021 and would remain applicable till 30.09.2022. Regarding quarterly adjustment for the 4th quarter of FY 2019-20, the Authority believes that since it will be interest of the consumers, therefore, the Authority has no objection if Federal Government desires to make it effective from October, 2021. Here it is pertinent to mention that the deferment of quarterly adjustments to be made applicable from 01.10.2020 is purely being done on the request of the Federal Government, therefore, any financial impact arising out on account of delayed application of the determined quarterly adjustments, would not be allowed to be passed on to the consumers and would be borne by the Federal Government itself.
- 13. Regarding surcharges proposed by the Federal Government for various categories of consumers, it is to be clarified that NEPRA has not levied any of such surcharges rather it is the Federal Government which has the statutory power to do the same. Under Section 31(8) inserted through Regulation of Generation, Transmission and Distribution of Electric Power (Amendment) Ordinance, 2021, the Federal Government has the power to levy surcharges and any such surcharge is to be considered as a cost to be included in the tariff determined by

NEPRA. Through the Request, it has been intimated by the Federal Government that it has levied surcharges and NEPRA is simply required to indicate such amounts against the corresponding columns of NEPRA determined schedule of tariff, as per detail provided in the Annexures of the Request. NEPRA has only been requested vide the instant Reconsideration request to simply indicate the surcharges imposed by the Federal Government in exercise of its powers, against the uniform rate of quarterly adjustments for the purpose of recovery only. Therefore, category wise surcharges proposed by the Federal Government, have accordingly been included in the instant decision.

14. In view thereof, the category wise uniform quarterly adjustments for the 4<sup>th</sup> Quarters of FY 2019-20 and 1<sup>st</sup> & 2<sup>nd</sup> quarters of FY 2020-21 of XWDISCOs, indicating therein, the category wise surcharges as proposed by the Government, is attached herewith **as Annex-III**, which is being intimated to the Federal Government, before its notification as per Section 31 (7) of the NEPRA Act.
