The Petitioner submits as under: -

I. RELEVANT FACTS

1. On 30th July 2020, Central Power Generation Company Limited ("CPGCL") filed the titled tariff modification petition in relation to Block-V of the Thermal Power Station, Guddu, namely, the 747MW Combined Cycle Power Plant ("747 MW CCPP") CCPP, seeking the Authority's leave to operate the 747MW CCPP on open cycle on the System Operator's demand, and further seeking the Authority's leave for FCC Tariff of 150% when the 747MW CCPP is operated on open-cycle.
2. The titled petition is presently pending adjudication before the Authority and has been fixed for hearing on 29th October 2020.
3. During the pendency of the matter, on 6th October 2020, CPGCL received a letter [ANNEX-A] from the Power Division, communicating a decision by the Cabinet Committee on Energy ("CCoE") dated 27th August 2020 in Case No.

CCE/46/13/2020, whereby, it was decided *inter alia* that the RoE component of the GENCOs' tariff would be reduced rate to 10% and the GENCOs were directed to approach the Authority for revision of their tariffs accordingly. The CCoE further directed that: "...the necessary approvals / process for submission of the tariff revision petition to NEPRA may be completed within two weeks' time".

4. The impact of reduction of RoE component of CPGCL's Block-V / 747MW CCPP rate from 15% to 10% is attached herewith at ANNEX-B.

II. PRAYER

5. In view of the foregoing developments, it is humbly prayed that CPGCL may be allowed to amend its prayer in the titled petition, by adding the following relief:

- c. *It is furthermore prayed that the Authority may graciously amend CPGCL's tariff for the 747MW CCPP to the extent that the RoE Component for Block-V / 747MW CCPP is reduced rate from 15% to 10% in line with the decision/direction of the Cabinet Committee on Energy dated 27th August 2020 in Case No. CCE/46/13/2020.*
